

Cooking with Lamb

Smith Vocational School Lamb Cook-off

For the last three years the MA Sheep & Woolcraft Fair has teamed up with the Smith Vocational High School Culinary Program to feature cooking with lamb. The students create original recipes and we hold a contest and judge the winners. The winning recipes will be featured at the Fair when the students come and demonstrate their skills and give people an opportunity to taste their creations. The winners are listed below along with the winning recipes.

Winning dishes will be featured at the MA Sheep & WoolCraft Fair in Cummington on May 27th. A demonstration will start at 11:00 am and continue until all of the lamb is used up. Tickets will be on sale to acquire a sample.
