

MASSACHUSETTS SHEEP & WOOLCRAFT FAIR MEMORIAL DAY WEEKEND

Visitor Tips

Welcome! We're so glad you're going to visit our fair.

To help you get the most out of your weekend, here is a list of tips.

Our Fair offers tasty food. We host the Four H food booth, which features lamb, in addition to other fare, and breakfast. We also host two food trucks, one which offers quesadillas and other tasty items and one which offers arepas. Try them out!

In nearby towns are places to get lunch or a snack.

The Creamery, in Cummington

Spruce Corner, in Goshen

Local Burgy, Williamsburg Snack Bar, Brewmasters Tavern, Bread Euphoria, all in Williamsburg.

Numerous establishments in Dalton and Pittsfield.

Numerous establishments in Northampton.

Vendors determine their own payment methods, but there is very spotty cell reception at the fairgrounds, and no wi-fi. Because of that, many of them do not take credit cards at the fair. You can't go wrong with cash.

The nearest ATM is at the Old Creamery. To get there from the fair, head out the main gate, take a right, and then take a left onto Route 9 West. The Old Creamery is about a mile down on the left.

It's a good idea to be wearing appropriate clothing. Check the weather before you come, so you know if it would be a good idea to bring a jacket or an umbrella. To be the most comfortable, dress in layers. Closed-toe shoes are highly recommended in the sheep barns.

The Info Booth is right in front of the Exhibit Hall. If you need to know where the bathrooms are, or what time a workshop starts, this is the place to ask.

For the safety of all animals on display at the event, please leave your dogs and pets at home.

Make sure to “like” our Massachusetts Sheep & Woolcraft Fair Facebook page for updates and fun posts from the fair!

And last but certainly not least, be prepared to have fun!

Admission Free

Parking \$10/day or \$15 /2 days

No Pets Please
